Young People

CARA provides specialist support for young people, who are victims and survivors of any type of sexual violence or child sexual abuse, either recently or in the past.

We cover the Braintree, Chelmsford, Colchester, Maldon, Tendring and Uttlesford districts of Essex.

Support for young people

CARA provides therapeutic support for young people who have experienced any type of sexual abuse. This service is usually offered to young people at secondary school, and up to the age of 19.

Our team of young person's practitioners provide support in a safe and non-judgemental environment. They are trained to deal with the impact of rape and childhood sexual abuse on young people, as well as to provide support with a wide range of other issues including child sexual exploitation, anxiety, flashbacks, self-harm, eating disorders and drugs and alcohol misuse.

Our support can help you to gain a clearer understanding of yourself, your experiences and your situation. Your practitioner will never force you to talk about anything you are not ready to. With our help you can explore and accept your experiences and move forward positively with your life.

CARA is an organisational member of the **British Association for Counselling and Psychotherapy (BACP)**. We abide by the BACP Ethical Framework for the Counselling Professions and are subject to the Professional Conduct Procedure.
